

North Simcoe Muskoka LHIN Wound Management Standardization Strategy

Muskoka Working Group Meeting
August 23, 2010

Attendance: Debbie Walker, Leisureworld Muskoka; Cathy Freer, The Pines

Regrets: Patti Connick, Bracebridge Hospital; Brenda Greer, Fairvern; Tracey Stevenson, ParaMed

1. **Welcome**

2. **Wound of the Month**

Joanne confirmed the plan for September and October schedule, about the use of dry dressings in wound management and best practice management of skin tears. 30 minutes sessions, in a brown bag drop in, or coffee break format, will be delivered by Joanne vanRennes. Handouts will be provided. Working groups will get copies of confirmed schedule and Practice Point documents that they can use for point of care education with their staff. Stakeholders are encouraged to touch base with their Industry supports, regarding any further education or information needed, on these topics.

Action:

Final schedule and documents to be forwarded by end of month, by Joanne.

3. **Meeting Close**

Meeting adjourned at 1045am.

3. **Next Meeting**

Tentative for November, following Wound of the Month activities.
