RE: Integrated Director of Information Systems

Dear Mr. Lockhart and Ms. Riley:

We are pleased to advise that, having reviewed the documentation associated with the proposed voluntary integration, the North Simcoe Muskoka Board of Directors passed the following motion at their November 24, 2008 meeting:

“That the North Simcoe Muskoka LHIN Board of Directors supports the Integrated Director of Information Systems shared management position between Orillia Soldiers’ Memorial Hospital and Muskoka Algonquin Healthcare as a voluntary integration pursuant to Section 27 of the Local Health System Integration Act, 2006 (LHSIA).”

We understand that OSMH and MAHC are partnering to implement a shared senior management position which will provide strategic and operational support for information systems services in both organizations.

This integration will be subject to ongoing review and will be formally renewable every five years.

We will be interested in the results of your analysis of the integration benefits within the next 6-8 months, and look forward to having more discussion with you.

Sincerely,

Jean Trimnell
Chief Executive Officer
