Dear Mr. Joly and Mr. Innes:

We are pleased to advise that, having reviewed the documentation associated with the proposed voluntary integration, the North Simcoe Muskoka Board of Directors passed the following motion at their June 25th meeting:

"That the Board of Directors supports the integration initiatives of the North Simcoe Muskoka and North East CCACs with the Muskoka-East Parry Sound CCAC."

We understand the intent is to transfer operations in order to provide service access through one Community Care Access Centre within the geographic boundaries of the North Simcoe Muskoka LHIN.

Further to this correspondence, notification of this motion will be sent to the Ministry of Health and Long-Term Care.

Please do not hesitate to contact us with further information on this initiative.

Sincerely,

Jean Trimnell
Chief Executive Officer
